+ Topcoats will be supplied to Pointsmen and Night Watchmen, and Slops to Gatekeepers, every three years.

* Goods Foremen, at Stations where no fewer than three men are employed constantly as Goods Porters, will be provided with Inspector's Clothing; and at large Stations, where the work is sub-divided, each case will be considered specially.

§ Capstan Men, Leggings half-yearly.

All Servants of the Company to whom uniform is supplied will be required to wear it when on duty, and Clothing having a badge or number upon it must be so worn as to show the distinguishing marks.

If any Servant of the Company wilfully destroy or deface his badge or number, he will be dismissed.

When a second Topcoat is supplied, the first may be retained; but when a third is supplied, the first issued is to be returned; and when a fourth is issued, the second is to be given back. Thus two Topcoats will always remain in possession of a man after he becomes entitled to that number.

Any Servant leaving the Company's employ will be required to give up his uniform.

All demands to be sent to the Secretary.

BY ORDER OF THE DIRECTORS.
